

Paul Redding teaches in Larimore, ND, where he has 5th-12th grade band, general music, and 7th-12th grade choir. He and his family are often found giving concerts at churches and Bible camps throughout North Dakota, South Dakota, Minnesota, and Montana. Paul has been involved in audio technology for many years, doing corporate audio applications for North Star Audio (Bismarck), live audio as an assistant sound technician for the Medora musical, and consultation on several system installations. Paul and his wife, Amy, have a project studio in their home where they have produced two CD's, both available at CDBaby.com and on iTunes. More about Paul and his family can be seen at www.amyredding.com.
