

**Carolyn Loney** is a graduate of St. Thomas (MME) and UW-Eau Claire (B-ME), and holds a National Boards Teaching License in Adolescent Music Education. As a choral director, she is passionate about collaborating with teens to create musical memories. Her places of employment include Osceola (1994-2001) and River Falls, WI (2001-present) where she has worked with both curricular and extra-curricular choirs. She is active in music at the State Level, serving in the past as a State Honors Section Coach, and now as the Wisconsin School Music Association (WSMA) State Honors High School Mixed Choir Coordinator. In addition to serving as an educator and as a clinician, Ms. Loney also is a church choir director, a solo/ensemble adjudicator, and performs as a member and occasional soloist with the Phipps Festival Chorus. She is most thankful for her husband Dean and her daughter Megan, and to all with whom she has shared music, knowing the richness that they have all brought to her life.
