

# Pave The Future

**INTERNATIONAL  
MUSIC CAMP**

*An Endowment to Sustain the  
Alme International Arts Centre & Future Projects*

## • Alme International Arts Centre •

Supporters of the International Music Camp now have an exciting new opportunity to leave a lasting mark on the grounds of the camp. Contributors to this project are invited to purchase one of two sizes of granite pavers, which will be engraved and installed in the ground near the new Alme International Arts Centre. **Pave the Future** proceeds will become part of a long-term endowment\* designed to help pay for the maintenance and upkeep of the building and to support future projects.

This is a great opportunity to honor a child, parent, teacher or friend, or to remember a loved one with a permanent gift. **Pave the Future** pavers are available in two sizes and include an engraved inscription.

Be among the first to **Pave the Future**! Please use the order form on the opposite page.

\*The "Fiddlin' Bill" and Del Johnson Endowment for the Alme International Arts Centre.

***"Yes, I will help Pave the Future at the International Music Camp!"***
