

**Nancy Hennen IMC Master Class**

Flutes in Action

June 24, 2021 from 1pm-4pm

This Master Class is for Flute players ages 11-16.

What does it mean to warm up? How should I practice? Can I polish my flute with toothpaste? (NO!) What kinds of music do flutists play? Did flutes always have all these keys? Bring your flute, your favourite piece of music to play, and all your flute-related questions to an afternoon dedicated to exploring all things flute. I look forward to seeing you there!
