

Stewart Smith IMC Master Class
Building a Strong Foundation: Fundamentals of Brass Playing
July 7, 2021 from 1pm-4pm

This Master Class is for Brass players ages 12 and up.

This Master Class will cover fundamentals of playing brass instruments. Topics will include embouchure, breathing, tone production, playing techniques, practice strategies, repertoire, and others. Participants will begin with the mouthpiece and move to the entire instrument. Participants will be given ample opportunity to play as a group and as individuals and are encouraged to bring music that they are able to perform. Time will be devoted to questions and answers.
