

Helpful Hints to Make Saturday of Session 7 Go Smoother

What to Expect for Registration & Check-In at the Alme Centre

1. Pre-register for your COVID-19 Rapid Test here: <https://www.simplereport.gov/app/register/D2E66>. Answer the questions to save time standing around and waiting in line. 😊
2. Arrive early and park at the Alme Centre or Burdick Center Parking Lots. Plan for check in to take at least an extra 20-30 minutes compared to 2019.
3. Leave your luggage in the car when you go to the Alme Centre. Bring any necessary forms, final payment, and face masks with you (anyone coming inside the Alme Centre will need a face mask). See the Face Mask Expectations sheet for more details.
4. Do we have an ATM on site? Nope!
5. Station #1 will be the COVID-19 rapid test. Say hi to our awesome camp nurse, swab out your nose, and wait 15 minutes for your results. These are gentle tests and campers will be swabbing their own noses under the supervision of our staff. No brain scraping is required.
6. Once you get negative results, you can move on through the registration line and get all of the details set for your time at IMC. No one is allowed in the dorms until they have completed their COVID-19 rapid test and have been through registration.
7. After you finish all registration tasks, find your dorm, and get settled in. A face mask needs to be worn by everyone coming into the dorm until all of the Session 6 Campers and IMC staff have moved out.
8. The first rehearsals will start at 4:30pm! More details will be handed out when you arrive.

Extra Time Saving Tips!

- Double check that you did Step #1 above (pre-registered for your COVID-19 tests: <https://www.simplereport.gov/app/register/D2E66>)
- Check that you have paid in full before you arrive either through Active (<https://campself.active.com/InternationalMusicCampInc>) or over the phone before Saturday (701-263-4211).
- Bring the completed Health Form with you. On the back page, make sure that all 4 parent/guardian/Adult Camper signature lines have been signed. It's like a scavenger hunt (but for important stuff)!
