

INTERNATIONAL MUSIC CAMP

ART PROGRAMS

Hey Art Students!

Your Art Kits will be provided when you arrive at camp. Each kit will have all the supplies you need for your program. You may bring your own sketchbook or any materials you may want, but they are not necessary. A small backpack or cloth bag can be useful for carrying your kit and supplies around the camp.

Please remember to bring old or protective clothing. A smock, apron or over-shirt can protect from paint, ink, charcoal, clay, and more. Art can be messy, and we don't want you to ruin your good clothes.

Cushman Hall is where you will work and create with a variety of materials and tools; some sharp, some pointy, all awesome! Please bring proper footwear. Shoes should provide some protection to the foot with a sturdy sole.

The art exhibit for your program will be on Saturday starting at 10:00 AM CST. Your artworks are for all to view until the exhibit is over at 12:00 pm. You are free to leave after the exhibit. Each person will be able to display what they have created over the week!
