Audio Technology

International Music Camp

Audio Tech students are advised to bring the following optional items to camp:

⇒ Laptop or tablet (if you have one) to work on audio editing software. We will be working with Cubase and Audacity products. If you already have music or audio software installed on your computer, bring it and use it for lab time to sharpen your skills.

⇒ Headphones or ear buds with optional adapter for 1/4 inch jack.

⇒ Notebook and pen/pencil.

All other equipment and materials will be provided.
