

Carrie Loney is excited to be returning for the fifth time as the IMC Treble Choir director! Engaging with singing students is her essence. Since 2001, she has taught River Falls High School musicians, allowing her to experience the beauty, laughter, learning, and bonds that are created when music and passion unite. In addition to her high school music educator role, some of her most impactful experiences have included serving the Wisconsin School Music Association (WSMA) as a State High School Honors Choir Section Coach/Coordinator, clinician, and judge; and most recently being named the State High School Honors Chair Elect (2022-2026). In addition to various local honors choirs, she has also conducted the American Choral Directors Association (ACDA) State Middle Level Honors Choir (North Dakota). As a lifelong learner, Ms. Loney has received diplomas from St. Thomas (MME) and UW-Eau Claire (B-ME), and has holds a National Boards Teaching Educators License. She continues to refine her teaching through leadership and educational conferences. She is thankful for her husband Dean, her daughter Megan, and her dog, Smudge - all who keep her centered and happy.
