

# Garage Band at IMC

Students participating in the Garage Band Camp are asked to bring the following materials with them to camp:

**Guitarists & Bassists** need to bring their own instruments and are expected to bring their own amps, cords, and cables. A heavy duty extension cord is also recommended. It is also recommended to bring a power strip if you would like to use effect pedals.

**Drummers** need their own complete drumset and sticks.

**Keyboard players** need their own keyboard, amp, cords, and cables.

**Students are welcome to bring their own Mics, Cables, and Stands if they have them. These should be clearly marked. IMC is not responsible for loss or theft.**

**All students** need to bring their own earplugs and recordable CDs or a thumb drive. Students are welcome to bring an iPod or other music playing devices for musical inspiration. Remember to bring the cables to plug the device into a speaker. Don't forget a 1/4 inch adapter for headphones. Remember - Cell phones are not allowed at IMC and will be confiscated if misused.

***A \$25 USD user fee is included in the cost of tuition to cover the use of camp owned equipment.***
