Getting to IMC

Location

The INTERNATIONAL MUSIC CAMP is located in the International Peace Garden on the border between North Dakota and Manitoba, 15 miles north of Dunseith, ND on Highway 3 & 281 or 30 km south of Boissevain, MB on Highway 10.

Entering the International Peace Garden

All visitors to the International Peace Garden are required to pay an entrance fee. 2024 admission is either \$10 per day per person or \$50 for a family annual pass, which allows as many entries in 2024 as you would like. These fees are established by the International Peace Garden. For more info on the activities available in the gardens, please visit: www.peacegarden.com or call 1-888-432-6733. Gate passes can be purchased in advance on the IPG website or at the gate.

Parking and Registration

In addition to the two parking lots on campus, additional parking is available across the road in the Masonic Auditorium. Please park on gravel or pavement. Registration will take place in the Alme International Arts Centre beginning at 3:00 pm and you may move into the dorms after 3:30 pm. If you arrive early, there will be a full day of performances before registration and everyone is encouraged to attend. The International Peace Garden does have electric vehicle charging stations at the Interpretive Center. More info can be found at: <https://www.plugshare.com/location/159061>

Transportation To and From Camp

Most campers either drive or carpool to camp, but IMC can arrange to pick up campers arriving by bus, Amtrak, or plane.

***SPACE IS EXTREMELY LIMITED FOR PICKUPS!
Shuttle service is NOT guaranteed. Please contact the IMC office as soon as possible before purchasing travel tickets. Travel arrangements should be finalized with the IMC office at least 2 weeks prior to arriving at camp.***

Customs Documents

Passports are NOT required to get in and out of the International Peace Garden, but are the recommended form of identification. If you do not already have a passport, you will need a birth certificate (everyone in the vehicle) AND photo ID (anyone 16 or older) to return to your country of origin upon leaving IMC and the Peace Garden. Every passenger in each vehicle is expected to present these documents. This special exemption applies only to the Dunseith and Boissevain ports of entry. Passports will be required for US citizens to travel to Canada and for Canadians to enter the US.

Saturday Registration Essentials

- Final Tuition Payment
- Health Form
- Cash or Check for the following optional items: Locks, Photo Order

Luggage must be left in the vehicle while checking in at the Alme Centre.

There is NOT an ATM at IMC or in the Peace Garden.

Camper Information

Housing

Camperers are housed in open dormitories and cabins. All room assignments and roommate requests are made when the registration is received. Requests are held for two weeks.

Each camper must bring their own sheets, blankets, pillow, sleeping bag, etc. (unless they arrive by plane). Evenings are cool so sleeping bags are an excellent choice. Camperers will also need to bring their own towels, toiletries, and personal items.

Camping

If you plan to camp, please let the IMC office know ahead of time and remember to register at the front gate of the International Peace Garden. You are encouraged to reserve your spot ahead of time through the International Peace Garden office (888-432-6733). There is no tuition adjustment for staying in the campground.

Meals

Meals are served in the camp dining hall. The first meal will be the Saturday evening meal following registration. **Camperers with dietary concerns (vegetarian, food allergies, etc.) should contact the camp at least 2 weeks prior to arriving to confirm that the Food Service Coordinator is aware of the nature and severity of the allergies.**

Concessions

Located in the front of the Dining Hall, the Concession Stand has numerous sweet treats and salty snacks as well as beverages and frozen treats available for purchase throughout the day. Located across the parking lot from the Dining Hall, the Allegro Shop is full of IMC gear from shirts to sunglasses to hoodies and more! Both the Concession Stand and the Allegro Shop accept US and Canadian cash and the Allegro Shop accepts checks in US Funds, Visa, and Mastercard.

Locks

All camperers have small cubbies that can be locked for extra security of personal items. Combination and key locks are available for rental during the registration process. A \$5 USD or CAD rental fee will be charged and \$3 will be returned when the lock is returned. **Personal locks may NOT be used.**

Health Information

All Camperers at IMC must turn in an updated 2024 Health Form before attending camp. Completed health forms should be turned into IMC two weeks prior to your arrival at camp. Camperers who do not have a completed health form will not be allowed to stay at IMC. If you have misplaced your health form, a digital copy may be found on the camp website. Adult camperers are responsible for their personal health care.

Camperers should be in good health upon arriving at camp, as programs can be physically demanding. Camperers exposed to a contagious disease prior to camp should contact the camp as soon as possible to have money held to 2025.

Camperers coming to camp with Epi-pens must carry them at all times. Due to the distance from the camp to the nearest emergency facility, it is recommended that two or more Epi-pens be brought to camp.

Each camper should bring a reusable water bottle (also available for purchase at the concession stand & Allegro Shop). IMC recommends everyone consume adequate fluids while at camp, especially during periods of high heat, humidity, and/or activity.

NUT FREE ZONE: The International Music Camp is completely NUT FREE. Many camperers and staff have life-threatening nut allergies and our proximity to emergency facilities may not allow adequate treatment of a reaction. No nuts, peanut butter, or nut products are allowed anywhere on camp property. Please double check ALL ingredients before bringing food to camp!

Phone Cards

There is no public wifi at IMC and cell phone reception for both US and Canadian camperers is extremely limited and some people have incurred international roaming charges. Phone cards are available for purchase at the Concession Stand and the Administration Building for \$5 USD or CAD. Pay phones are available at a central location in the camp and in some of the dormitories for camper use. If a camper needs to be reached urgently, or in case of an emergency please contact the IMC office at (701)263-4211. Camperers are encouraged to put their phone in airplane mode while at IMC.
