

Garage Band at IMC

Students participating in the Garage Band Camp are asked to bring the following materials with them to camp:

Guitarists & Bassists need to bring their own instruments and are expected to bring their own amps, cords, and cables. A heavy duty extension cord is also recommended. It is also recommended to bring a power strip if you would like to use effect pedals.

Drummers need their own complete drumset and sticks.

Keyboard players need their own keyboard, amp, cords, and cables.

Students are welcome to bring their own Mics, Cables, and Stands if they have them. These should be clearly marked. IMC is not responsible for loss or theft.

All students need to bring their own earplugs and a thumb drive. Students are welcome to bring music playing devices for musical inspiration. If possible please bring a speaker for said devices as well. Remember to bring the cables to plug the device into a speaker. Don't forget a 1/4 inch adapter for headphones.

A \$25 USD user fee is included in the cost of tuition to cover the use of camp owned equipment.

Final Performances will be held on Saturday, 11:00 a.m.
Concert dress is your favorite rock band t-shirt or something comparable. Attire should fall within the IMC dress code, with no obscenity or overtly offensive images.
