

# PROFESSIONAL DEVELOPMENT FOR EDUCATORS

While attending the Professional Development for Educators program at IMC, you will have the opportunity to work with some of North American's finest artist teachers. Your time with us will allow you to explore methods for teaching with increased artistry, learning effective strategies for instructional clarity in rehearsals, lessons, classes, or effective planning for enhancing what you do with students. Your customized PDE schedule will allow you to focus on practical applications of the topics covered and you will leave with ideas that can immediately be used to promote more effective teaching.

UND graduate level credit fees are \$50 per credit. UND registration is done online. Instructions are on the PDE Page of the IMC Website. ½ week participants can earn 1 graduate level credit and full week participants can earn up to 2 graduate level credits.
