Naomi Russell's love of the choral art is a product of her involvement with the programs of the Manitoba Choral Association. A member of the 1994 and 1996 National Youth Choir of Canada, she keeps busy with two ensembles in Brandon, Manitoba. She is a founding member of das Femmes, an unconducted 8-member women's choir and has directed Women in Harmony, Brandon's women's barbershop ensemble since 1992. She is so proud to have been a part of the Canadian Chamber Choir/Choeur de Chambre du Canada since its inception in 1999. The ensemble has toured to all corners of Canada and released 4 albums, one of which was nominated for a Juno award. She has been on faculty at the International Music Camp for the Adult Session since 2001 and revels in the opportunity to experience IMC year after year. Naomi is a registered nurse by trade, specializing in palliative care and medical/orthopaedic rehab and loves being Auntie to Cameron, Kayleigh and Ella.
