

Helpful Hints to Make Sunday Go Smoother

What to Expect for Registration & Check-In at the Burdick Center

1. Arrive early and park at the Burdick Center. Handicap access is located at the back of the building at the bottom of the parking lot.
2. Leave your camper's luggage in the car at the Burdick Center. Bring any necessary forms, final payment, cash/check for the Camper Bank, and medications with you.
3. Do we have an ATM on site? Nope!
4. Let the person at the front of the line know your name so they can pull your camper's packet. They may have a question or two for you to answer, and once you have finished at this station, you can move on through the registration line and get all of the details set for your camper's time at IMC.
5. After you finish all registration tasks, head back to the car to pick up your luggage, find your dorm, meet your counselor, and get settled in.
6. If you informed us of a special diet, check in at the Dining Hall to introduce yourself to kitchen staff and learn where to go during regular meal service.
7. Go check out the Allegro Shop and Concession Stand if you have time.
8. All campers should be back in their dorms at 3:30pm. Camper fan clubs (parents, relatives, dogs, etc.) head home for the week before or at that point. Please remember to pick up your camper (and attend their final concert and performances) on Saturday!

Extra Time Saving Tips!

- Check that your camper is paid in full before you arrive either through Active (<https://campself.active.com/InternationalMusicCampInc>) or over the phone before Sunday (701-263-4211).
- Bring the completed Health Form with you. On the back page, make sure that all 4 parent/guardian signature lines have been signed and that the camper signed the 5th line on that page. It's like a scavenger hunt (but for important stuff)!
