

Helpful Hints to Make Saturday of Session 7 Go Smoother

What to Expect for Registration & Check-In at the Alme Centre – 3pm

1. Arrive early and park at the Alme Centre or Burdick Center Parking Lots.
2. Leave your luggage in the car when you go to the Alme Centre. Bring any necessary forms, and final payment with you.
3. Do we have an ATM on site? Nope!
4. Let the person at the front of the line know your name so they can pull your camper packet. They may have a question or two for you to answer and once you have finished at this station, you can move on through the registration line and get all of the details set for your time at IMC!
5. After you finish all registration tasks, find your dorm, and get settled in (the dorms open for move-in at 3:30pm).
6. If you informed us of a special diet, check in at the Dining Hall to introduce yourself to kitchen staff and learn where to go during regular meal service.
7. The first rehearsals will start at 4:30pm! More details will be handed out when you arrive.

Extra Time Saving Tips!

- Check that you have paid in full before you arrive either through Active (<https://campself.active.com/InternationalMusicCampInc>) or over the phone before Saturday (701-263-4211).
- Bring the completed Health Form with you. On the back page, make sure that all 4 parent/guardian/Adult Camper signature lines have been signed. It's like a scavenger hunt (but for important stuff)!
